About Portrait Packages

All poses chosen in a package will have facial retouching to remove unwanted blemishes and minor imperfections where ever possible.

Any extensive retouching such as eyeglass glare removal, stray hair removal and removing braces or objects not the photographers fault will be at an additional cost of \$25 per image. This is a per pose charge, not for each photograph purchased.

All Wall Portraits and Collections are sealed with clear laquer spray to protect the surface. When framing your Wall Portraits, glass is OK to use, but not necessary.

Portraits 11x14 and larger will be mounted on sturdy art board and ready for framing. Portraits 8x10 and smaller will be presented in Deluxe Gift Folders (unless stated otherwise in your package).

Wallets are individually cut with rounded corners and are presented in acrylic Gift Boxes.

*Trading photographs within a package may be done as follows:
16x20 or 11x14 = 3 Gift Portraits (8x10, 5x7 or 2-4x5's or 4x6's)*

The images you received as proofs have all had some retouching, cropping and color correction done to them but may not have reached final inspection. Therefore, there may be a slight difference in your final images that you have chosen for purchase.

Your final images will be color balanced and printed on Professional photographic paper with a Lifetime Guarantee. If for any reason your portraits should fade or discolor, simply return them and we will reprint them at no cost to you. Cigarette smoke and kerosene heater fumes may cause discoloring to your portraits and these circumstances are not covered on our Lifetime Guarantee.

Portrait Packages

Our Senior Portrait Packages are designed to be very flexible so that you will be able to get EXACTLY what you need and not have any Portraits sitting around in a drawer.
